

## **CBIS website notes, 7-24/-15**

### **People page:**

-change "Expertise" to "Research Interests"

-move Tianyu to "Alumni" section

Phebe will email group to ask for:

-linked-in page

-personal website

-need student pictures from: yikai, caprichia, behzad, fazlur, junhan, jin

-Collaborators: use same list from old CBIS website, and add Hyunsuk Shim and Tanja Jovanovic

### **About Us page:**

-Add regular meeting times

-Phebe will make a list of meeting agendas (like they link to on the Pennsive page)

### **Home page:**

1. What do we do?

2. Publications

3. Contacts

-sliding window on home page: recent research, research highlights, achievements (e.g. Phebe SRCOS award), etc.

-add a "News" section

-add twitter feed to front page

### **Research page:**

-drop-down menu: overview, then subtopics

### **Publications:**

-Organize publications and presentations by year.

-Add the google scholar link for each paper. (as they do on SMART page)

### **Grants:**

-just one page (no drop-down menu).

-Use old CBIS website for grants, and Ying will send a few more

### **Other:**

-we need logo to use for home page

-Add "HOME" to top toolbar

-"Contact Us" button should lead to contact page, with Ying as the contact person

**By next week:** have Publications and Research page ready to go!
